

UPPER LOUP NATURAL RESOURCES DISTRICT
NE Youth Range Camp
SCHOLARSHIP APPLICATION

Nebraska Range Youth Camp emphasizes plant-soil-animal relationships, range livestock management, ranching, economics and wildlife habitat management. The camp features field and classroom activities designed to provide range management education. Field activities include a forest tour, a ranch visit and many "hands on" exercises which will introduce and develop skills important for range management and range judging contests.

The Upper Loup Natural Resources District prefers to sponsor one scholarship per subdistrict annually. Depending upon application status this distribution practice may be reviewed as needed by the Board. The percentage of sponsorship is dependent upon the price of camp, the type of camp, the number of applications, whether or not the applicant has a partial scholarship provided by another group or if the individual is a returning applicant.

The scholarship form is to be submitted to the Upper Loup NRD, 39252 Hwy 2, Thedford, NE 69166. This does not register you for the camp. Registration forms can be found at <http://www.nesrm.org/YouthRangeCamp.html>
