

COST SHARE APPLICATION FOR WELL DECOMMISSIONING
UPPER LOUP NATURAL RESOURCES DISTRICT
39252 Highway 2
Theford, NE 69166
(308) 645-2250

Name _____ Phone _____

Address _____

Social Security # OR Tax I.D. _____

1. Decommissioning must be done in accordance with all applicable state laws, standards, rules and regulations and by a licensed water well contractor or licensed pump installation contractor.
2. Obstructions in and around the well should be removed by owner, and at the owners expense, that would hinder well decommissioning.
3. The cost share shall be 75% of the materials and labor for the decommissioning with a maximum of \$150 for a domestic or livestock well and \$400 for an irrigation or municipal well.
4. Site inspection after completion may be done.
5. **To obtain cost share payment from the NRD this application form, a copy of the bill for the well decommissioning cost and a "Notice of Water Well Abandonment" completed by the well decommissioner must be submitted within 12 months of the well decommissioning to this office.**
